FIFTEEN CENTS

CHANNEL LAKE WILL BECOME a "city on ice" Saturday and Sunday when Antioch's annual ice fishing derby is sponsored by the Northern Illinois Conservation Club and the 885

Civic Club. Prizes galore will attract thousands of men and women and, of course, children like the expert little angler picture above.

Big Ice Fishing Derby Here Saturday, Sunday

By CHARLES P. RAYMAN

With some 15 inches of safe ice certified, the 1976 Ice Fishing Derby of the 885 Club and the Northern Illinois Conservation Club signals all systems are "Go."

This event Saturday and Sunday will be the 16th in as

many years and appears headed for another record attendance.

Being the largest and richest derby in the state, this year's effort is expected to attract in excess of the 1975 total attendance which reached 5,500 persons from as far away as St. Louis.

MORE THAN \$7,000 in prizes will be awarded to lucky ice fishermen and ticket holders at the two-day derby.

In addition, the program of games for young and old, plus sled dog races, will make for a most exciting time for those attending.

The sled dog races will begin

about 10:30 a.m. on each day.

Hourly judging of fish in 10 different categories will start at 9 a.m. each day with prizes awarded for the largest perch, sunfish, crappies, walleye pike, northern pike, striped bass, black bass, catfish, bullheads and bluegills. There will also be a prize for the oddest fish

caught each day.

THE DERBY headquarters will be on the south end of Channel Lake, with the main entrance being through Mr. Wonderful's Resort where ample free parking will be available.

Other free parking will be adjacent to Steve's Channel Inn and the surrounding area. State

Parking Study Wanted By Plan Group

The Antioch Planning Commission has decided to ask the village board to reconsider a feasibility study for a downtown parking lot east of the stores on the east side of Main St.

The village trustees voted 4-2

at their last meeting not to have the study done. A professional planning firm, Harland, Bartholomew and Associates, had suggested that the village spend between \$2,500 and \$3,000 to have the study conducted.

Trustees Mike Haley and Diane (Willie) Kasik voted for

it; the other four members of the village board voted against it.

"The plan commission strongly recommends that the village board reconsider," said Ken Wierschem, chairman of the panel.

"Our meeting last Thursday was well attended by businessmen from the central business district," Wierschem said. "It was pointed out that the resident attitude survey indicated parking in the central business district was the residents' greatest dislike. The Comprehensive Plan emphasizes the need to strengthen the central business district, and due to the revenue the village realizes from the retail sales tax, it was felt some of that money should be utilized to conduct this study."

Square Dance Class

Persons interested in learning to square dance can begin Thursday at the Antioch Lower Grade School at 7 p.m.

It is not necessary to have a partner. Members of the Diamond Hashers square dance club will fill in.

Post Office Open Thursday, Closed Monday

Although all local schools and financial institutions will be closed Thursday in observance of Abraham Lincoln's birthday, the Antioch post office will be open for business.

The post office will be closed on Monday, Feb. 16, in observance of George Washington's birthday. There will be no delivery and no window service.

and was attended by 160 Nobles, their ladies and friends.

Mr. Ralph Brooke, chairman of the fine arts department at Antioch High School, directed the swing chorus in pop numbers. Eight girls and nine boys made up the chorus.

Noble Bob Wilton, mayor of Antioch, was one of the guests.

The next big event on the groups calendar is the annual Medinah Temple Shrine Circus in Chicago, Mar. 8-28.

ANTIOCH MAY BE "waitin' for the RTA" nowadays, but back in the good old days folks from the big city flocked here by train on the weekends and their friends were waiting to pick them up in spiffy automobiles for a few days of resort life. Con Game Possibility, Chief Warns

Con artists might be at work in Antioch, posing on the telephone as bank auditors.

At least two residents have reported receiving phone calls in which a person calling himself a bank auditor has asked for information on their bank balances, interest and source of income.

"Banks auditors don't operate via telephone calls," said Police Chief John Wells. "If you receive such a call, please notify your bank or the police department. It could be a con artist at work."

Jim Thompson Here Mar. 4

James R. Thompson, Republican candidate for governor, will appear in Antioch on Thursday, Mar. 4.

The former United States Attorney for the northern district of Illinois, will be the guest speaker at a general membership meeting of the Antioch Chamber of Commerce and Industry.

Members of the Antioch Rotary Club will hold their meeting along with the Chamber that day. The event will

begin at 12:15 p.m. at Lorenz's Smart Country House.

Reservations are necessary and the deadline is Monday, Mar. 1. The Chamber's phone number is 395-338.

THE WAY prices keep going up, up and away, isn't it encouraging to see that several Antioch service stations have lowered the cost of regular gasoline?

At least four places, including Bernie's "Happy Gas" at the corner of Hy. 83 and North Ave., have lowered the price of regular from 54.9 cents to 52.9, plus tax. The tax makes it 55.3 cents a gallon.

No one has explained yet why other stations in town must sell gas for as much as seven cents a gallon higher.

Liberals Inflate Federal Budget

By BARRY GOLDWATER

If the American people are expecting the liberals who run the Congress to hold down the federal budget, they had better think again.

Despite talk of government economy now coming from some of the liberal candidates for President, the real story came out in a report from the staff of the Joint Economic Committee of Congress. It said the nation's economic recovery would fall apart if President Ford succeeded in reducing government expenditures.

The President's \$395 billion spending ceiling could cause "a severe setback to economic recovery," the congressional liberals contended. They added

that, among other things, such a ceiling would cause unemployment to start rising again.

BUT FEDERAL Reserve Board Chairman Arthur F. Burns said such a conclusion was "nonsense." He stated that the conventional wisdom that federal deficits spur the economy is an idea whose time has gone.

The best chance of speeding the recovery lies in a conservative fiscal policy, Burns added.

Apparently, everyone but the congressional liberals knows that federal deficits drain resources that could be used to finance investment in the private sector, investment that

creates new jobs.

IT STANDS to reason that if federal deficits were the answer to our economic troubles, we should already be in a boom of monumental proportions: The federal budget has been in a deficit situation during 14 of the last 15 years.

How long will the American people be willing to put up with the repeated excuses offered by the liberals to squander the taxpayers' money? It has been going on for more than 40 years and, despite periods of official concern, it keeps going on year after year.

The liberals completely ignore the point that at some time

morning. He must have been thoroughly delighted.

Then, Deacon went out and played a round of golf at Florida's Bay Hill Country Club, which Arnie owns. Shortly after, Deacon died of a heart attack.

It kind of makes us wonder, when Arnie was shooting that 64 and watching seven long birdie putts roll into the hole, if he was doing it himself or if Somebody was helping him.

Vehicle Stickers Due

Owners of cars and trucks residing within the limits of the village of Antioch must purchase their vehicle stickers no later than next Tuesday, Feb. 17.

The cost is \$6 now. It will become \$8 after Tuesday.

The \$2 penalty will be applied on the morning of Wednesday, Feb. 18.

The village hall will be closed on Monday, Feb. 16, in observance of Washington's birthday.

The village board is planning to meet Monday night as

Almost \$3 billion worth of property is destroyed by fire annually, and the total economic costs from fire in the U.S. are conservatively estimated to be \$11 billion a year.

scheduled.

Police will be enforcing the vehicle sticker regulation as they have in past years. Violators will be subject to a court fine and costs, plus a penalty payment for purchasing the vehicle tag after deadline.

Along the way with ANNIE MAE

Democrats will gather at the Antioch Restaurant on Main St. next Monday night to meet Atty. Jim Lumber, candidate for Congress.

Precinct 4 Committeeman Frank ReCupido said the meeting will last from 7:30 to 8:30 p.m. and that you should all come ... and bring a friend.

License Plate Deadline Near

SPRINGFIELD - Secretary of State Michael J. Howlett has reminded vehicle owners that 1975 passenger, motorcycle and RV plates will be illegal after midnight Sunday.

"Although purchases of the 1976 Bicentennial plates are substantially ahead of last year's sales, there are thousands of motorists who have not purchased their new plates," Howlett said.

THIS IS HOW the home of Mr. and Mrs. Anthony Lomma, 315 Cedarwood Dr., looked during the Christmas holidays. And that's why they won first prize in the annual decorating contest conducted by the Oakwood Knolls Property Owners association. Said Bob Olson, president of the association, "We hope the joy and brightness your home reflected will be with you throughout the New Year."

The tenderfoot from the East had spent all his time since his arrival on the ranch asking all sorts of questions.

"Why is it," he asked the cowboy, "that you always slap your horse on one side when you get in the saddle?"

"Well," said the cowpuncher, "I figure that if I can get one side started, the other is pretty sure to follow."

Antioch is going to have a new set of traffic laws, the first she has ever had so far as is known. The village trustees took home an 18-page document, prepared by Village Atty. Edward C. Jacobs from a study of traffic laws of other villages. Chief Walter Scott and his staff find that they are powerless to arrest anyone for normal traffic violations if the offense is off Main, Lake, or Rte. 173, the three state routes.

Woman's Club Plans Card Party on Mar. 1

By FLORENCE PEDERSEN

The Antioch Woman's Club held its Feb. 2 meeting at the First National Bank's community room.

President Irene Hahn presented a special guest, Mrs. Martha Rockenbach of Grayslake, 10th District Woman's Club music chairman.

Plans were discussed for the club's Dessert Card party to be held on Mar. 1 at 12:30 p.m. at the Antioch Country Club.

Dr. Joseph H. Yao presented

the program, "Acupuncture and the Management of Pain," which included an impressive demonstration of acupuncture on one of the ladies present.

Hostess Mrs. John Kulack and her committee: Mesdames George Anzinger, Florence Babusek, John Barlow, William Barr, Raymond Bruhn, Homer LaPlante, L.V. Madden, David Nissen and Einar Petersen served cake, coffee and tea.

The Woman's Club will meet again on Monday Feb. 16. The program will be "Fun Crafts," presented by Lee Wards. A representative will show three quick and easy crafts and there will be a door prize.

Rescue Squad Total for Year Is 84 Calls

The Antioch Rescue Squad made 17 calls from Feb. 1 to Feb. 8, bringing its total for the year to 84.

Last week's calls were mostly for first aid and most of the victims were taken to the hospitals in Waukegan, Libertyville and Great Lakes.

MUSH ... Sled dog races will be among the attractions both Saturday and Sunday when the annual ice fishing extravaganza is held on the south end of Channel Lake.

Ice Fishing Derby Begins Saturday

Continued from page 1
police will assist in traffic control.

The top prize is an Evinrude Model 400S snowmobile, followed by a trip for two to Las Vegas, a Zenith portable TV, a Little Dude twin trailer and an Evinrude outboard motor. Public interest has reached a high level as Derby Day approaches. Other prizes include a 10-speed Columbia bicycle, "his and hers" snowmobile suits, a Rid-O-Ray insect control device and a Woods 4-Star Down sleeping bag.

TICKETS SALES are approaching the sold-out point. The headquarters snack shack, offering hot sandwiches and other hot foods, should be kept busy serving the sportsmen and women in search of winning catches.

Rules governing the fishing

Current Commerce Department statistics indicate that fire kills 12,000 Americans each year and injures another 300,000.

contests will be posted on the headquarters building together with other information helpful to those attending.

Small children will really try to outscore each other in the penny scramble event which is comprised of \$25 provided by the sponsoring clubs and augmented by onlookers who pitch in nickels, dimes and quarters.

Youngsters keep all the change they can pick up.

While adult games such as sack races will not be of Olympic caliber, they do provide laughs and fun for those participating.

Following the conclusion of the derby, a listing of winners will be compiled and listed for public information.

FEB. 16-22, 1976

Now winter's hand is on both sea and land.

This is the month of good excuses (too cold, too wet, etc.) ... Washington's Day Feb. 16 (although he was born Feb. 22, 1732) ... Third quarter of the moon Feb. 22 ... The planet "Pluto" discovered Feb. 18, 1930 ... Average length of days for the week, 10 hours, 42 minutes ... First showing of Edison's "talkies" Feb. 17, 1931 ... First Maine sardine cannery opened Feb. 17, 1876 ... The more honesty a man has, the less he affects the saint.

Old Farmer's Riddle: What lives in winter, dies in summer, and grows with its root sticking upward? (Answer below.)

Ask the Old Farmer: I had a "saying" which I liked very much, but we unfortunately lost it in moving. I am trying to find the third line and hope you can help me. It read: "Three things we cannot take back: the spoken word, the unkind thought, the ... ?" J.L. St. Paul, Minn.

"The misused hour."

Home Hints: To keep pictures hanging straight, find the center of the wire, wrap a few turns of adhesive tape around either side of the center point, leaving only enough exposed wire for the hook ... **Riddle answer:** An icicle.

OLD FARMER'S WEATHER FORECASTS

New England: Sunny and cold at first, then fairly heavy rain and warm; rainy and snowy up to weekend, then clearing and much colder.

Greater New York-New Jersey: Sunny through midweek, then rain changing to snow; cloudy, unseasonably cold and some light snow latter part.

Middle Atlantic Coastal: Fair and mild at first, then some rain and snow and much colder; clear, very cold and windy latter part, light rain and snow in west on weekend.

Piedmont & Southeast Coastal: Sunny and cool to start, then scattered light rain, continuing through latter part; clearer and very cold at week's end.

Florida: Early part of week mostly rainy; latter part clear, windy and cold, with night temperatures generally freezing.

Upstate N.Y.-Toronto & Montreal: Week begins fair and cold, then storm of quite heavy snow in central and north; rain in south, snow in central and north latter part, then clearing, gusty and cold.

Greater Ohio Valley: Clear and mild at beginning, then some rain changing to snow; extremely cold with scattered snow rest of week.

Deep South: Clearing and milder at first, then cold, some rain; cold wave ending, cloudy and warm with light showers latter part.

Chicago & Southern Great Lakes: First part of week cloudy and mild, but some snow and colder temperatures midweek; latter part clear and very cold in west, milder at week's end.

Northern Great Lakes: Snow starts the week in south and west, arrives in east by midweek; latter part clear and mild in west, very cold in central and snowy in east.

Central Great Plains: Week begins clear and mild, then light snow and turning bitter cold midweek; sunny and very cold latter part, then mild weekend.

Texas-Oklahoma: Clear and warm to midweek, then cold wave with flurries in north; clear and still cold latter part, but unseasonably warm on weekend.

Rocky Mountain: Sunny and mild in central, snow in north, then very cold and clear; rest of week sunny and warmer.

Southwest Desert: Mostly sunny, clear and warm all week, except for some cool temperatures in east.

Pacific Northwest: Rain, heavy in south, and cold, then clearing and warmer; week ends with light rain and seasonal temperatures.

California: Entire week clear and warming to seasonal temperatures, warmer than normal inland.

ABC's of Travel

Domestic and International

By BARB CORBIN

Is freighter travel for you? Freighters are far different from passenger cruise ships. Facilities, while clean and comfortable, are by no means luxurious.

You'll usually dine on the same (typically simple) food served the crew who'll often share the dining room with you.

There is little organized entertainment for passengers. Often, activities are limited to swimming (some freighters have a small pool), relaxing in the passenger's lounge or on a deck chair.

Passenger-carrying freighters are usually licensed to carry up to 12 passengers at sea (16 when traveling along a coastline). When more than that number are aboard, ships must provide a doctor and additional staff. Because no physician is on board, some ships require evidence of good health.

The most important thing to remember when planning a freighter trip is that CARGO is king. The ship leaves port only after all the cargo has been loaded, and a change in plans may call for a stop at an unscheduled port.

Freighter travel is recommended only for flexible people who can live with surprises and depart on a vacation trip without being absolutely certain

BARB CORBIN

what day they'll return.

Costs are much lower than for travel aboard cruise ships because cargo pays the way; passenger fares represent bonus income for the ship line.

A cabin with private facilities, good food and service plus the fun and adventure of living with the crew, hearing their talk of cargo, navigation and foreign ports usually costs in the neighborhood of about \$20 to \$40 a day.

This, you must agree, is a bargain of a vacation. For more information call your local travel agent and he can help you to see if this would be your type of travel.

Women of The Moose

Last Thursday, 39 members were in attendance for the hospital committee's chapter night program. Chairman Pat Sulak and her committee were in charge of entertainment and refreshments. Marianne Leitz was enrolled as a new member in her honor.

The Senior Regent, Stephanie Polson, announced that at the upcoming Chapter Rally Day on Mar. 7, in Highland Park, the Antioch chapter will be performing the enrollment ceremony of the ritual work. Antioch was chosen by Mooseheart for this part of the ritual. Junior Regent, Judy Cook, as directed by Mooseheart headquarters, will give the response to the address of welcome.

Ritual practice for members taking part in the ritual work

will be held Thursday, Feb. 26, at 7:30 p.m.

The Senior Regent, Stephanie, reported that ticket sales for the Valentine's Day Dance on Feb. 14, were going well. Guy Gange and His Blue Notes will provide the music. "All members are urged to attend," Stephanie said.

What the Candidates Are Saying

MICHAEL HOWLETT, secretary of state, said in Joliet Monday, capital punishment should be restored in certain extreme murder cases.

Howlett, running for the Governor nomination in the Mar. 16 Democratic primary, said:

"I believe in rehabilitation. In the office of secretary of state we have a special program for ex-offenders to give them employment and help them regain a useful place in society.

"However, while almost everyone is capable of rehabilitation, capital punishment is a deterrent to extreme crime.

"In multiple murders; murder of a policeman, fireman or correctional officer; murder

committed during robbery or kidnaping, or connected with rape or indecent liberties with a child, or murder for hire, only the death penalty could be the ultimate deterrent.

"But each case should be decided on its own merits, with the judge or jury free to decide if mitigation or aggravation is a factor."

RESIDENTS OF the area will have an opportunity to meet Ronald Reagan at a reception from 5:30 p.m. to 7 p.m. on Friday at the Marriott Lincolnshire, Routes 45 and 21, in Lincolnshire.

Gov. Reagan is expected to address the gathering in the main ballroom. This marks Reagan's second visit to Illinois since he announced his candidacy for the Republican presi-

dential nomination.

"Gov. Reagan is taking time out from a fast-paced schedule to meet with people in these areas who are supporting him and working for his candidacy," State Rep. Donald L. Totten,

state campaign director said.

Tickets are \$10 per person and can be obtained by calling the Illinois Citizens for Reagan headquarters in Glenview (724-5490).

Busy Schedule For Rainbow

The Antioch Rainbow Girls had a regular meeting on Jan. 26. It was Colleen DeVries' first meeting of her term as president.

On Monday, Feb. 9, a regular meeting was held. All the girls wore red for St. Valentine.

The Rainbow Girls will be busy going to a swimming party, two roller skating parties, visiting other assemblies,

serving refreshments for the Eastern Star on Feb. 14, and having a pizza party.

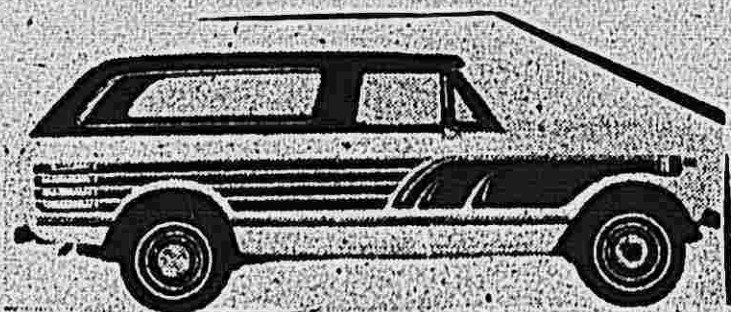

The pizza party is next Monday at 7:30 p.m. at the Masonic Temple, 885 Main St., Antioch.

Girls who are interested in learning more about Rainbow are invited and should bring their parents along.

Speedway Plans Early Opening

Once again in the 1976 racing season the quarter-mile paved oval at Waukegan Speedway will be the first area track to open with late model and hobby stock racing.

The Saturday night and Sunday afternoon schedule will continue through April and then the usual Saturday and Sunday night stock car events will fill the calendar.

The first event on this year's agenda will be the annual race car show at the Belvidere Mall on Rte. 120 in Waukegan with a number of the late model stock cars on exhibit from Apr. 2 through Apr. 4. The 1976 Dodge Aspen pace car from G.L. Miller's Dodge will be in the show.

women's fashions, and an evening of dancing...

Those are a few of the highlights planned for the "Fashions of America" style show Sunday at the Swedish Glee Club in Waukegan.

The event is sponsored by the Committee to elect Jim Lumber to Congress, and Mrs. William Rosing of Waukegan, chairman for the show, says "it promises to be one of the most exciting and enjoyable evenings ever

planned for the public in Lake County."

Mr. Lumber, Democratic candidate for the 13th Congressional District, will be on hand to meet the public.

A few of the \$15 tickets will be available at the door. Persons wishing advance reservations can call Dr. and Mrs. Rolland Sandee, 236-4034.

Cocktails will be available at 4:30; the fashion show starts at 6 and dancing begins at 7.

THE ENTERTAINER

Fashion Show at Lakehurst Sunday

American women who made history will come to life again in Lakehurst's Central Court at 1:30 p.m. Sunday.

In a dramatic and colorful parade they will sweep across the stage of the Waukegan shopping center.

Free to the public, the Bicentennial Fashion Show is sponsored by the Waukegan Bicentennial Commission and the Lakehurst Merchants Association.

The costumes are from the collection of history buff Phyllis McMillen of Antioch. Mrs. McMillen also serves as com-

mentator, with lively asides about the famous and not-so-well-known females who have left their mark on our nation. Among the more memorable are Mary Todd Lincoln, Betsy Ross, Mother Seaton, Dolly Madison, Harriet Beecher Stowe, Lillian Russell, Mrs. Potter Palmer and Martha Washington.

Only a little more than 10 years ago Mrs. McMillen first created historic costumes for a literary club's program on famous queens of the past. Since then she has done an entire History of Fashions, a

Wonderful Women of Illinois pageant for the Illinois Sesqui-centennial, and now her Bicentennial Fashion Show covering the years 1776 to 1976 for the 200th birthday of our country.

A sneak preview of the show can be seen in miniature in the Baskin windows in the Bank of Lakehurst corridor. Forty dolls are dressed in tiny duplicates of the authentic costumes.

Movies at the Library

Movies will be shown at 10:30 a.m. Saturday at the Antioch Township Library for children in kindergarten through the third grade. This Saturday's movies are "Clever Village," "A Firefly Named Torchy," "The Three Robbers" and "Blueberries for Sal."

Pre-school story hours are held at the library on Wednesdays from 12:30 to 1 p.m.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Your main concern should be directed toward promoting self interests. By establishing firmer roots career-wise you increase chances of a more stable, secure future.

TAURUS [April 20-May 20] - Deal with conflicts of interests from partner as diplomatically as possible. You're certain not to see eye to eye on everything. Keeping things professional is safe.

GEMINI [May 21-June 21] - Don't scatter your efforts by spreading your self too thin as nothing gets the attention needed to insure a successful outcome. Work to keep temper under control.

CANCER [June 22-July 21] - Try not to over-react if you get opposition to present plans. A schedule which doesn't include argument associates may be the answer to a smoother work week.

LEO [July 22-August 21] - Changes in home life are to be expected but don't be too hasty about making drastic moves. There's plenty of time to make a decision.

VIRGO [August 22-September 22] - It may be difficult to control the urge to argue with superiors now. Nothing is gained by being outspoken even though you're probably right.

LIBRA [September 23-October 22] - Being able to differentiate between luxury and necessity is essential in maintaining a balanced budget. Unplanned events can put a strain on finances.

SCORPIO [October 23-November 21] - Ambitions for a less confining lifestyle are predominate. You can best realize your aims by taking things step by step. A well planned routine allows complete control.

SAGITTARIUS [November 22-December 20] - Nothing should be dull now; varied planetary aspects allow plenty of activity. Harmony with friends and relatives gives that extra boost for added self confidence.

CAPRICORN [December 21-January 20] - Although you may not get approval from all, go ahead with plans. Your ability to express views successfully puts you to the fore. No need to vie for attention.

AQUARIUS [January 21-February 19] - If excessive energy is channeled into the right direction you can realize your aspirations. Avoid being erratic or too impulsive. There's too much to be gained to merely spin your wheels.

PISCES [February 20-March 20] - Don't daydream about increasing personal resources; get involved in an active, progressive program. You can obtain financial success by being a doer.

Feb. 14 Dance At Allendale

'Streetcar Named Desire' Opens at PM&L Saturday

PM&L's production of Tennessee Williams' classic drama, "A Streetcar Named Desire," opens Saturday on the Antioch stage.

Aboard will be a host of talented performers. Heading the cast is Tessa Smith in the role of Blanche DuBois. Curtain time is 8:30 p.m.

Tessa studied drama in London and has been in numerous professional and amateur productions. She also has directed. Her latest show was "The Prisoner of 2nd Avenue" for PM&L.

Accompanying her on stage will be Donn Britten of Racine, who will portray Stanley Kowalski. Donn has performed for the Racine Theatre Guild.

Playing his wife Stella will be Dena Fabry of Lindenhurst. Dena has won many acting awards at PM&L. Her most recent award-winning performance was in the title role of "Lady Audley's Secret." She has also performed at the McHenry Dinner Theater.

Don Beveroth of Paddock Lake will arrive on stage as Mitch. Don is a longtime actor and director of PM&L.

Opal Denk will appear as

Eunice. This is Opal's first PM&L role. Previously she acted in "The Mouse that Roared" and "It Happened One Night."

John Denk will portray Pablo. John is a former Goodman Theater student and has performed in the last two PM&L productions.

Frank DiMarco of Antioch will perform the role of Steve, Eunice's husband. Frank has been a regular on the PM&L stage for the last two years. His most recent role was as King Ludwig in "The Golden Grotto."

Lyn Zaehler of Antioch will put on her nurse's costume again in this production. Lyn is well known in the area for her choreographic talents, but acting is her real love.

Alongside Lyn, in the role of the doctor, will be Bob Andresen. His most recent Antioch performance was as the lead in "Prisoner of 2nd Avenue."

The director of the talented group is Tom Hausman of Antioch. After Saturday, the play will make four more stops - Feb. 20, 21, 27, and 28, before it leaves town. The reservations number is 395-3055.

REHEARSING FOR "A Streetcar Named Desire" are Tessa Smith as Blanche and Donn Britten as Stanley. The play opens at the PM&L Theater Saturday night.

Friday the 13th Square Dance

The Diamond Hashers square dance club of Antioch will sponsor an open dance, "Hearts and Flowers," on Friday.

The dance is on that infamous date, Friday the 13th. There-

The class will be limited to 15 persons. Those wishing to attend should call 395-5333, the school's environmental education office, to reserve a spot.

On Feb. 24, the session will deal with the bicentennial events and how individuals and groups may become involved.

"We hope to have a schedule of events available and a means by which the bicentennial committee can respond to the questions and ideas from individuals," said Michael D. Teeley, environmental education director. Teeley also said:

"Due to the importance of obtaining input from as many members of the community as possible, the presentation on the comprehensive plan for the village of Antioch has been moved from Tuesday, Mar. 23 to Tuesday, Mar. 2."

The class will be limited to 15 persons. Those wishing to attend should call 395-5333, the school's environmental education office, to reserve a spot.

On Feb. 24, the session will deal with the bicentennial events and how individuals and groups may become involved.

"We hope to have a schedule of events available and a means by which the bicentennial committee can respond to the questions and ideas from individuals," said Michael D. Teeley, environmental education director. Teeley also said:

"Due to the importance of obtaining input from as many members of the community as possible, the presentation on the comprehensive plan for the village of Antioch has been moved from Tuesday, Mar. 23 to Tuesday, Mar. 2."

Wrestlers 2nd in Conference

District Meet Here Friday And Saturday

Two individual champions, but second in the final team standings.

That was the story of Antioch's varsity wrestling team in the conference championship tournament at Grant last weekend.

The host Grant Bulldogs won the title. Antioch's individual champs were Marvin Gibson, an outstanding freshman who triumphed at 105 pounds, and Greg Nordstrom, who out-classed the 126 pounders by allowing only four opponents a total of two points.

COACH TED DeRousse called Gibson's performance "the finest in recent years as he scored two pins, a 9-0 decision and an outstanding, superior

decision in the finals."

Nordstrom won his matches by scores of 13-0, 3-0, 8-1 and 3-1.

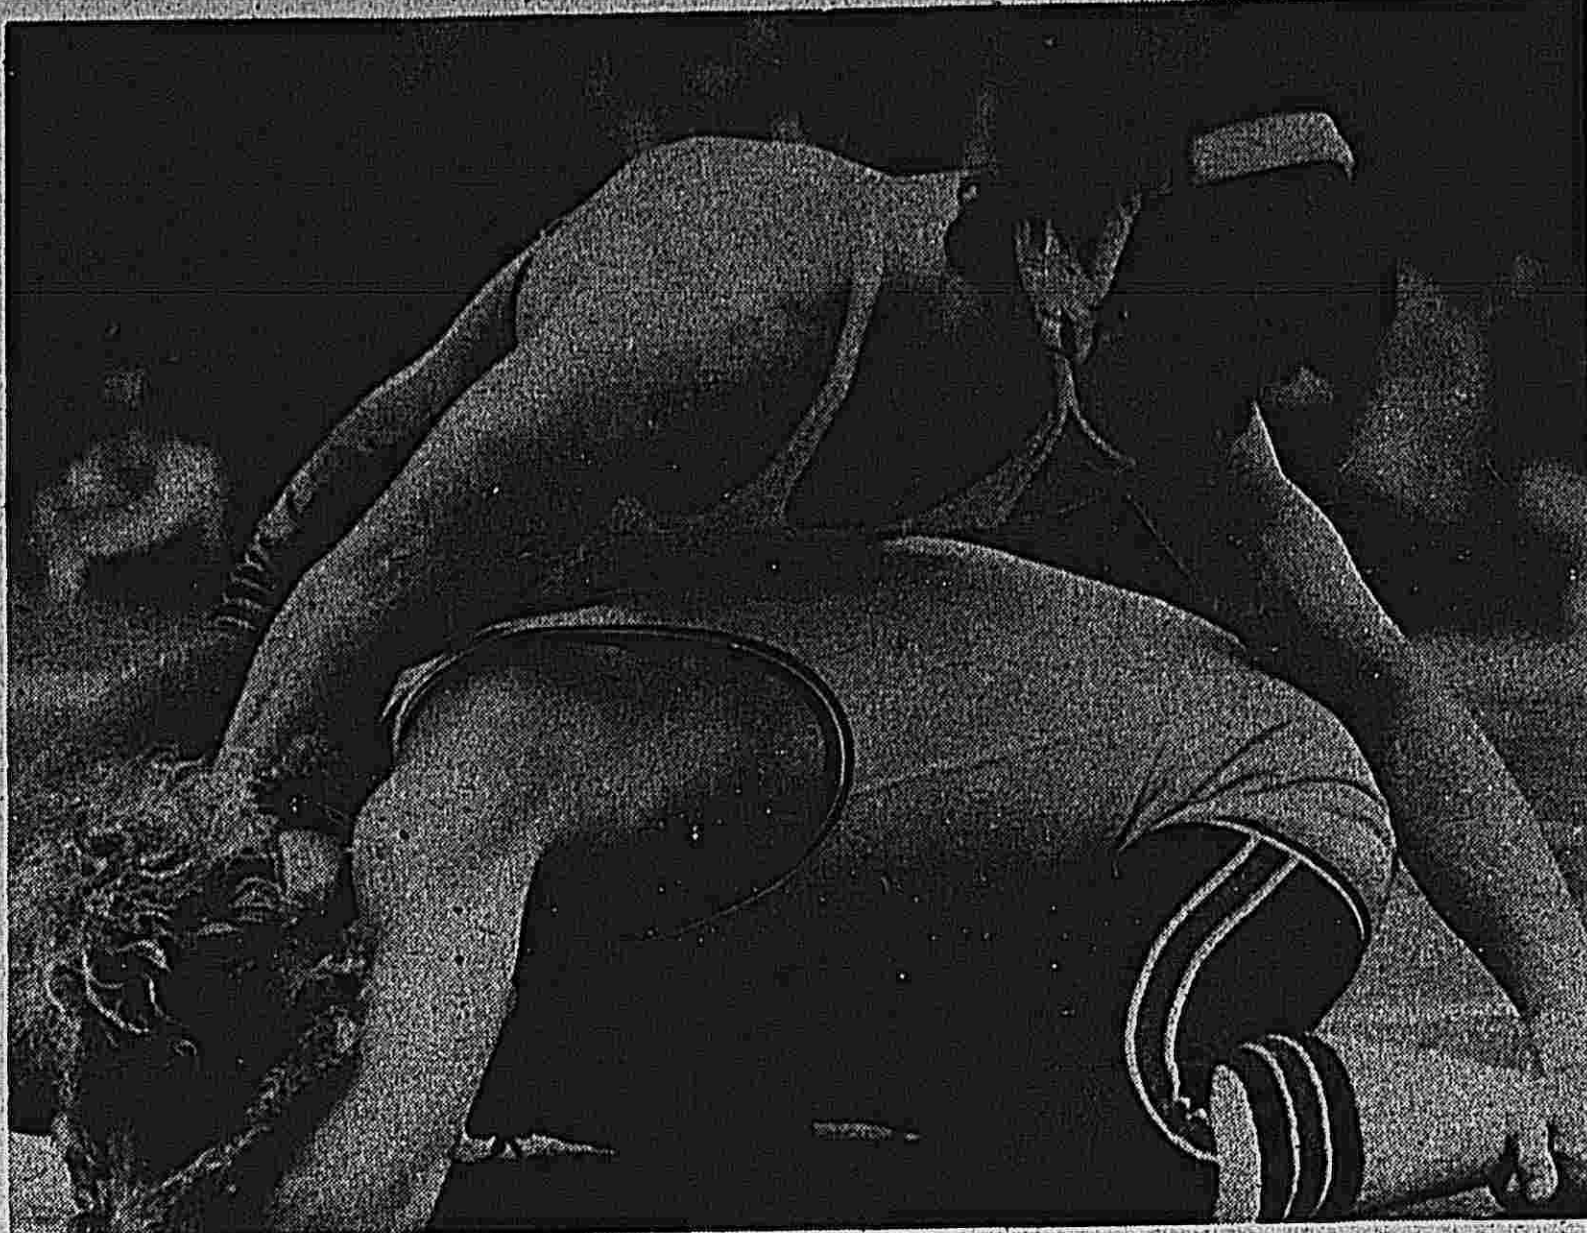

Grant finished with 160 points, Antioch with 143 and Round Lake with 132. Next highest in the 10-team field was Wauconda with 89.

Seniors Robin Aerne, 112 pounds, and Dave Bogaerts, 155, both reached the finals but lost close matches to finish second.

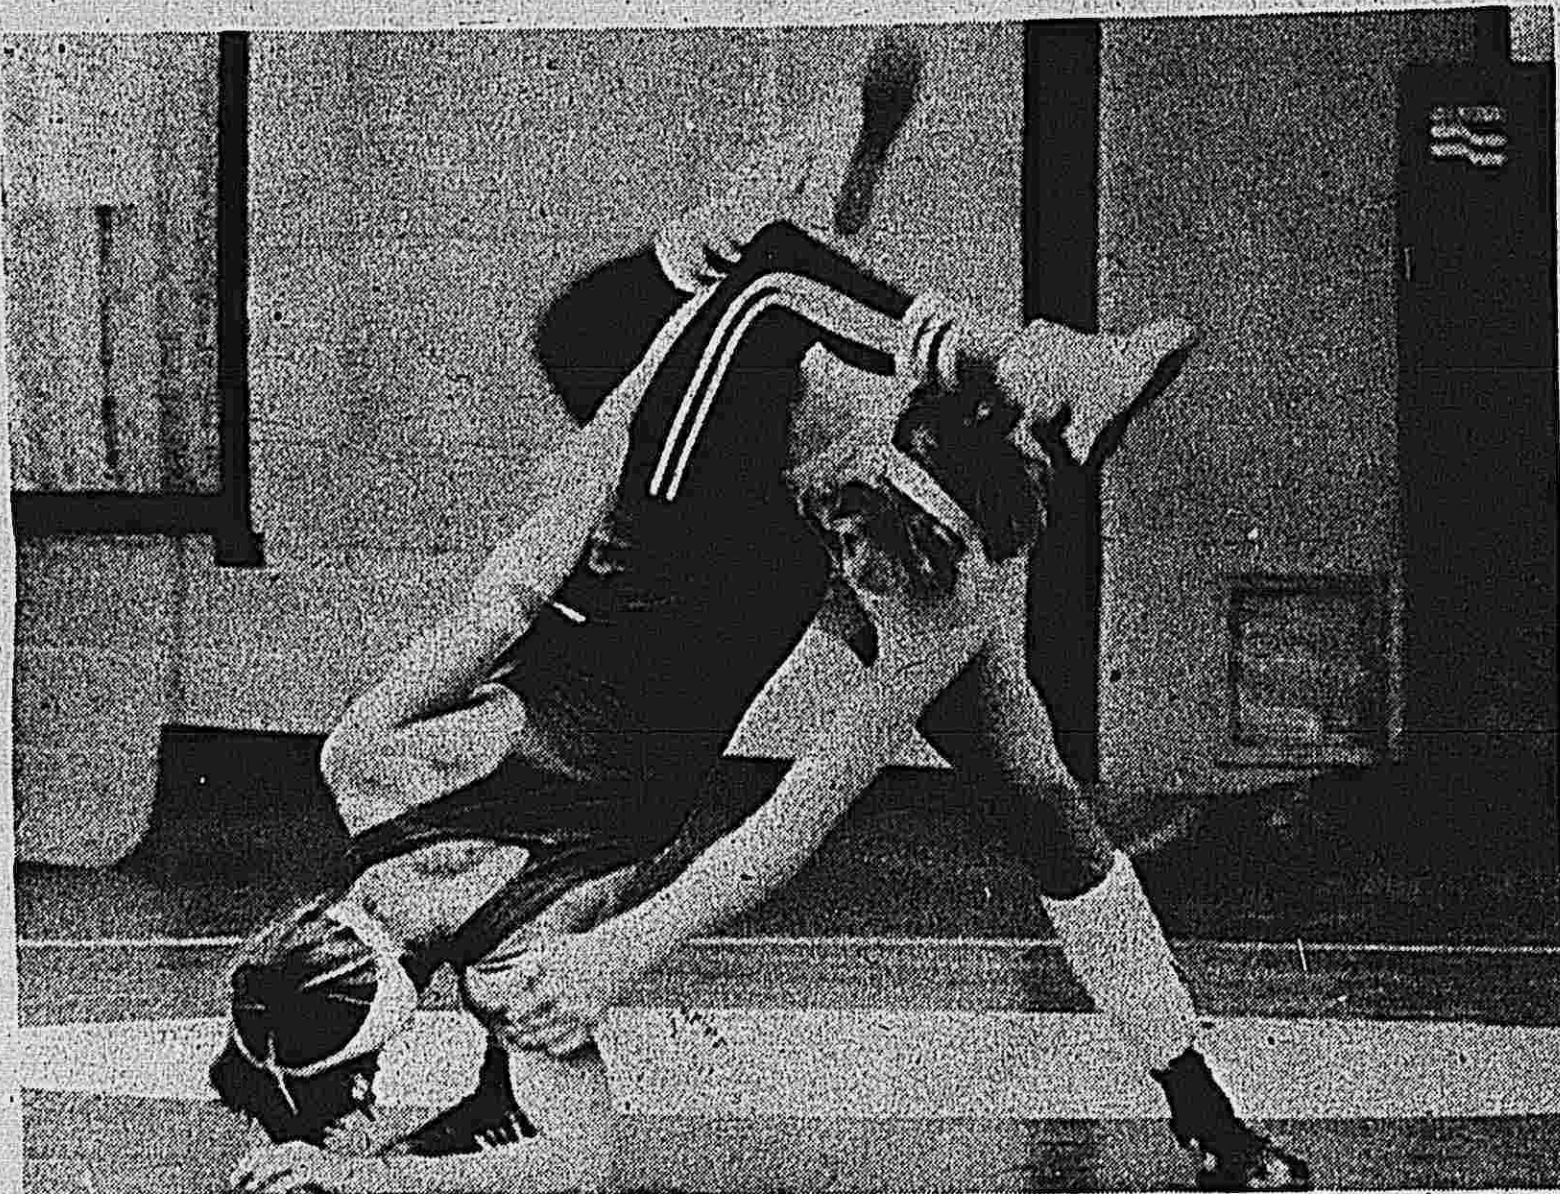

BOGAERTS TOOK Grant's undefeated Steve McCloud into an overtime match before being edged 3-1.

Tom Dye, at 98 pounds; John Davis, 119 and Rich Gorski, 167, placed third in their classes, and Dick Kessler was fourth at 185 pounds. Also scoring points for Antioch, but failing to place, were Wayne Blake, Geof Nordstrom and Bob Ducato.

Antioch High's sophomore basketball team beat Lake Zurich 62-48 last Friday and then edged North Chicago 45-41 on Saturday.

The wins raised the future Sequoia's season record to 16-3.

TONIGHT AND FRIDAY

Sequoits Face Dangerous Foes

The Northwest Suburban conference basketball race gets terribly, terribly interesting this week.

Antioch's undefeated Sequoits will play at home tonight (Wednesday) against Grayslake and will travel to Fox Lake on Friday night to play Grant.

The varsity games begin at 8 or 8:15 p.m., following sophomore tussles.

Grayslake and Grant are tied for third in the conference with 5-4 records. Both are dangerous teams and will be trying hard to crack Antioch's 8-0 record.

ANTIOCH GOT its eighth conference win last Friday, routing Lake Zurich 81-58 here. "The team played a very fine

game," said Coach Roger Andrews. "They did good rebounding, very good shooting and showed excellent team play. Four players scored in double figures."

"Our team continues to develop and grow in skill and experience," Andrews said. "We are coming along at the right time and each player is making his contribution to the success of the team."

ANDREWS SAID there was "some excellent rebounding by George Ferguson and Scott Kimball" against Lake Zurich. Each grabbed 14 rebounds. Mitch Witt, Jon Bodin and Kimball led the team in assists with 6, 7 and 5 respectively.

Kimball led scoring with 24 points, followed by Ferguson with 18.

Andrews said that Tom Gutowski and Tom McAvoy came off the bench and contributed some sharp play.

"With this balanced situation, we'll continue to have success," Andrews said. "Now we must work for consistency, with each player doing his thing."

THE SEQUOITS lost 78-65 at North Chicago Saturday night. They were up against an excellent team with super outside shooting and great quickness. North Chicago has the best record in Lake County, 18-3. Antioch now is 13-5.

"Our boys played a very good game," Andrews said. "We had two weaknesses, some poor rebounding and about five or six minutes of poor play during the third quarter."

"But," the coach added, "we had balanced scoring, good field goal shooting and our inside defense did the job. Scott Kimball led with 20 points and Mitch Witt played very well, hitting for 14 points. Bob Dubek had a solid game and Jon Bodin is really improving. He cashed in for 12 points."

The Sequoits' 27 points in the fourth quarter was their best rally of the season and they cut a 25-point North Chicago lead to 10 points at one juncture.

"We did this against the best team in the country," Andrews said. "Our kids never quit ... they're a team of championship caliber. North Chicago is without question the best team we've played this season."

"We did not wrestle as well as we are capable of," said DeRousse. "But we are fortunate to receive another chance this weekend."

The state district tournament will be held at Antioch. Grant will be here, along with the third-place conference finisher, Round Lake.

Other teams competing will be Wauconda, Cary-Grove, Woodstock, Crystal Lake and McHenry. Antioch is the defending district champion and will be eager to meet Grant on the home mats.

The tournament begins with preliminaries at 7 p.m. Friday, resumes with semifinals at 1 p.m. Saturday and closes with the finals at 7 p.m. Saturday.

Neal Lulofs Wins the \$15

Holy cow! There was a four-way tie for first in the Antioch News basketball contest last weekend.

North Chicago defeated Antioch by 13 points. Jayce Redmer of Burlington had predicted 14 points, and three others had forecast that Antioch would lose by 12: Neal Lulofs and Alan Gussarson of Antioch, and Ruth Korjenek of Lindenhurst.

So we had to use the tie-breaker again, and this time it was Antioch's Friday night

game against Lake Zurich, which the Sequoits won by 23 points.

NEAL LULOFS predicted Antioch by 18, so he came closest and wins first prize - \$15 cash from Pedersen Bros. Implement Company. His check will be in the mail later this week.

Alan Gussarson picked Antioch over Lake Zurich by 16 points and wins second prize, a \$10 gift certificate at the BJ Rush Photo Studio.

Jayce Redmer said 11 points and takes third prize, a \$5 gift certificate from the Four Squires clothing store. Ruth

Korjenek, unfortunately, only picked Antioch over Lake Zurich by eight points - so for this week, at least, no prize, Ruth.

BUT ANOTHER contest appears in today's paper, so be sure to enter by 5 p.m. Friday.

Coming very close last week were three contestants who picked North Chicago to beat Antioch by 11 points. They were Dave Gutowski, Chuck Hameau and John McAvoy.

Mr. McAvoy has finished first and third in recent contests.

Waukegan

Continued from page 11 late model in the car show and the opening night races. Naset, 20, from Mundelein, has won 42 races in his short career on the Waukegan oval.

This year Naset is shooting for the top 10 in the late model class with his white Camaro. "I doubt if we can beat Tom Jones (the defending late model champion), but we'll be competitive," said Naset.

credited with eight assists. Dennis Korjenek also scored eight points. Brian Andrews had five points, eight rebounds and seven assists.

Against the North Chicago sophs, Antioch came up with balanced scoring and excellent defense. Dubek led with 12 points followed by Tracy Sodman with 11, Tom Huebner with 8, Andrews with 7 and Tim Huebner with 7.

The sophs play Grayslake tonight (Wednesday) in a preliminary to the varsity game. Then they travel to Grant on Friday night.

THE HEAT PUMP

A new era in home climate control begins

About forty-five years ago, scientists began developing a revolutionary heating device that uses the heat of the earth's atmosphere. They called it a heat pump. Today, it is the only commercially available heating system that provides an answer to shrinking supplies of fuel oil and gas.

How the heat pump works.

Basically, the heat pump moves heat from one place to another. Using electricity to run the device, it extracts heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat. And during warm weather, the process automatically reverses, removing excess indoor heat and humidity—like an air conditioner.

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. The heat pump produces more than 1½ units of heat energy for every unit it consumes. That's better efficiency than any other current heating system.

It's ready.

It's ideal for new homes because it won't be obsolete in ten years. It's not dependent on the fossil fuels that may not be available in the future. To the homeowner, that means significant long-term savings on heating costs.

The heat pump is a big step in the conservation of scarce fuels. And here in northern Illinois, the electricity you would use to capture the heat comes mainly from coal and nuclear energy, rather than scarce oil and gas.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer (Westinghouse Distrs.), (312) 374-4411, or General Electric Co., (312) 496-6356. If you want additional heat pump information, call your local Commonwealth Edison office and talk to our marketing engineer.

Lake Zurich Was Easy, But North Chicago Wasn't

By MIKE WITT

Eight down and five to go. That's the count in the conference basketball race for Antioch after its 81-58 victory over Lake Zurich last Friday.

Now, any combination of Antioch victories or Woodstock (second place, 7-2) losses totaling three guarantees the Sequoits a share of the championship.

Saturday night Antioch traveled to North Chicago to take on the North Suburban leading Warhawks. After getting blown off the court, the Sequoits rallied before succumbing 78-65.

The Sequoits placed four men in double figures against Lake Zurich and shot 61 percent as a team to account for their high total of 81 points.

The first quarter was close even through Antioch scored 21 points. The Bears took advantage of some lazy defense on Antioch's part, and kept within three points at 21-18.

TOM GUTOWSKI entered the game in the second quarter and put some spark into the Sequoits with his hustle and defense. He contributed six points and earned himself some playing time in the future with his performance.

Going into the third quarter with a 42-30 lead, Antioch played its usual "lazy game with a lead" and was outscored in the quarter 16-15.

BUT STARTING off in the fourth, Antioch ripped seven straight points and sewed up the game.

Tom McAvoy played very well coming off the bench, as did Jeff Eder, Pat Houghton, Tim Abderholden and Tom Sedar.

Scott Kimball scored 24 points (to keep up his league-leading average) and pulled down 14 rebounds, as did George Ferguson.

Ferguson added 18 points, to go along with 13 for Mitch Witt, and 10 for Bob Dubek.

Even though Lake Zurich isn't exactly a powerhouse (6-13), the Sequoits' 81 points were impressive, but their defense did leave a little bit to be desired.

NORTH CHICAGO finished a sweep of sorts against Antioch on Saturday night. They, along with McHenry and Libertyville, three of the top four teams in their conference, have all scored convincing wins over the Sequoits.

Antioch, feeling it couldn't stick with the Warhawks in a man-to-man defense, played a 2-3 zone and concentrated on stopping North Chicago's stars, 6-7 Del Yarbrough and 6-3 Terry Barrett.

North Chicago came out with its guns blazing, hitting on practically everything it threw up there.

The Sequoits stopped the two players they wanted to, but the rest of North Chicago's team more than picked up the slack. With NC's guards setting the pace, and hitting on 80 percent of their shots, they jumped out to a 24-14 first quarter lead.

Antioch looked a bit shaken at this point, and NC began to blow the game open.

The whole story could have been different had the referees

COMING OFF THE BENCH, reserve Tom Gutowski quickly scored two field goals to make the win over Lake Zurich easier. No. 50 in the background is George Ferguson.

kept their eyes open. Yarbrough twice ran over Jon Bodin, and completely leveled out Kimball at the first half buzzer, but the refs just chewed on their whistles.

Holding a 40-29 first half lead, the Warhawks really put it to the Sequoits and led by as many as 27 points during the third quarter.

THE ONLY bright spot during this span was the play of Mitch Witt, and his scoring kept the margin from getting larger than it already was.

The fourth quarter saw Antioch coming in down by 21 points, but the Sequoits changed their whole game around at this point. Led by Jon Bodin and Scott Kimball, Antioch really

played ball and outplayed NC. Bodin made several nice moves down the lane and Kimball made some excellent moves around the basket on the baseline. Kimball ended up the night scoring 20, and Witt and Bodin scored 14 and 12.

I think the team benefitted an awful lot from this game. It gave them a taste of some topnotch competition, but let's hope it didn't take too much out of them for this week's schedule.

THE SEQUOITS take on Grayslake here tonight and play Grant at Fox Lake Friday night.

The Sequoits barely beat Grayslake the last time they met, 51-49, and the Rams have been playing well.

But Grant will be the real test because it has been playing excellent basketball of late and will enjoy whatever homecourt advantage there might be.

Gymnastics Program Begins Nest Tuesday

The Antioch park board, under the direction of Mrs. James Koppa, is offering a gymnastics program to men and boys 9 years of age and older.

The program will be held at Antioch High School on Tuesday evenings, beginning Feb. 17. It will last for 11 weeks, until Apr. 13. The time is 6 to 8 p.m.

Wayne Malone, a professional gymnastics instructor who recently came to Antioch from New Jersey, will be the teacher.

The fee is \$5.50 a person, or \$10 for a father and son. Members of the class will use the northeast entrance of the building.

Registrations will be taken on Tuesday, Feb. 17, at 6 p.m.

Information on other programs, such as volleyball, will be announced soon, Mrs. Koppa said.

7 Straight Wins For Antioch Frosh

It's now seven straight conference wins for Antioch High's freshman basketball players. They scored an easy 61-34 victory over Lake Zurich last weekend.

The game was pock-marked with fouls, 24 by Antioch and 23 by the visitors.

Mike Lischewski again led Antioch with 15 points, despite playing only half of the game. He also gathered eight rebounds.

Chris Oddsen led all rebounders with 12 and chipped in with 11 points. He, too, was needed for only half the contest.

Scott Gallagher had nine points and seven rebounds, six on the offensive board. Twelve

players scored for Antioch.

Coach Norm Hahn praised his team for "better hustle and aggressiveness. Greg Bodin, Dave Gutowski and Jeff Thiel each made five recoveries. Poor free throw shooting, 19 out of 36, was the team's only real problem.

The "B" team won 42-38 as Bob Sertic scored nine points. The frosh have an important rematch at Grant on Saturday at 9 a.m.

More Softball In the Snow

Two more winter softball tournaments are being planned at Dug Out Park in Trevor.

Saturday and Sunday are the dates of a mixed tournament in which each team must have at least five girls. Red, white and blue 16-inch softballs are used, and automobile tires serve as bases.

The tournament will be limited to eight teams. The entry fee is \$25 with two trophies and a half-barrel of beer among the rewards. Tom Furlan is accepting entries at (414) 862-9136.

A men's 12-inch tournament will be held Feb. 21-22.

Two money-saving tips for homeowners

Too many homeowners have outdated insurance on their property.

So a fire, a storm, vandals or burglars can destroy or steal more than your insurance covers.

With the cost of construction and repairs going up fast, it pays to update your homeowners coverage now.

It'll pay you to check with your Country Companies agent, too. Because in most cases, he can give you the coverage you want for less with a Country Mutual homeowners policy.

The Country Companies. We're a little different than most insurance people.*
